This week's focus: End of the Year- Closure

This week you can join in on any of the read alouds as they are all Children's Picture books with great messages!

Mindfulness Monday: Closure is so important and this year has not allowed us to really get that in the same way that we are used to. I will introduce a digital end of the year Memory Book that your students can complete. It can be stored in your Google drive. I ask that you make a copy of it and save it so that you can help your child complete it. You can choose to print it if you would like after they fill it out. It is a great activity to work on together and it will provide a fun memory book to look back on this year that was truly unforgettable!

TLC (Tuesday Library Class)- Read Aloud of "The Invisible String" by Patrice Karst

Web Wednesday- Mrs. Bohr shared the Kid President Pep talk at the start of our social distancing but now check out to see Kid President as he got older. You can watch "Another Pep Talk from Kid President" and also "A Pep talk about a Pep Talk". Parents- these are both great to watch with your students. There is great discussion that can go along with them. What will be your "Space Jam?"
